

DINOSAURS

TM

ESCAPE THE DANGERS!
FIND THE DINOSAURS AND WIN!

MODERN FUN SEARCHING FOR PREHISTORIC CREATURES!!

BY STUDYING ROCK FORMATIONS AND SUCH, YOU HAVE CONCLUDED THAT DINOSAURS ARE BURIED SOMEWHERE NEARBY. YOU ARE TRYING TO UNEARTH BONES OF THE ANCIENT CREATURES IN YOUR QUEST FOR FORTUNE AND FAME.

SHOOT ARROWS AT APPROACHING MONSTERS AND DIG RANDOM HOLES. EACH MONSTER KILLED IS WORTH 200 POINTS AND EACH HOLE DUG IS WORTH 50 POINTS. (YOU SCORE BONUS POINTS WHEN YOU ATTACH A NEW HOLE TO ALREADY EXISTING HOLES - THE LARGER THE AREA, THE HIGHER THE SCORE) YOU MUST ALSO BE CAREFUL NOT TO WALK INTO THE HOLES AND TO AVOID THE INDESTRUCTIBLE FIRES.

WHEN YOU ARE ON YOUR FLYING CARPET, YOU CAN MOVE FASTER AND FLY OVER EXISTING HOLES. DROP STONES ON THE EARTH TO CONTINUE TO FIND SKELETON PARTS. AGAIN, WATCH OUT FOR THE MONSTERS AND FIRES - THEY ARE STILL LETHAL. AND MAKE SURE NOT TO FALL INTO THE HOLES AFTER THE CARPET DISAPPEARS.

THERE ARE THREE (3) DINOSAURS, EACH IN FOUR (4) PARTS. FOR EACH DINOSAUR SKELETON COMPLETED, YOU GAIN AN EXTRA MAN. AFTER THE THIRD DINOSAUR IS FOUND, THE GAME BECOMES EVEN MORE CHALLENGING.
